

# **The Tenth NTU Postgraduate Conference on Teaching Chinese as a Second Language**

Chinese is the most spoken language in the world, and the study of Chinese has become internationally fashionable. In order to develop primary research capabilities and professional training in Chinese language pedagogy, we are honoured to announce that the Tenth NTU Postgraduate Conference on Teaching Chinese as a Second Language will be held on March 26, 2022 at National Taiwan University (NTU).

Organized by postgraduate students from the Graduate Program of Teaching Chinese as a Second Language at NTU, this one-day event aims to bring together postgraduate students interested in the field as an intellectually stimulating and friendly platform for the exchange of ideas. Presenters of the conference will have the possibility to publish their research in the Proceedings of the Tenth NTU Postgraduate Conference on Teaching Chinese as a Second Language.

Areas of research can include:

- Technology and Chinese L2 teaching
- Lexicon, Syntax, Semantics and Pragmatics of Chinese
- L2 Chinese acquisition
- Cross-culture studies
- Bilingual education and Bilingualism
- Related topics
